CANDIDATE NAME:

Title of Research Topic: _____

- (a) Chapter I
- (b) Chapter II
- (c) Chapter III
- (d) Chapter IV

Dissertation title must be an action research project. It must be an applicable research paper. It should be about an unfamiliar topic of action. The paper should reflect change or service in ministry and the real world. **(Complete and return this doctoral research form with all other required documents)**

The student or (faculty member) understands he or she must complete required courses, examinations, practicums, the Dissertation Project (Paper), and have all tuition and fees paid in full for graduation to be awarded the doctoral degree from JBIHL. The doctoral candidate understands there is a nontuition reimbursement policy for students, if any academic requirements and dissertation work is not approved by the JBIHL Research Doctoral Committee for graduation. All doctoral papers from JBIHL should be written utilizing APA 7th Edition Manual and the Purdue University OWL, APA, Citation Writing Lab, and any added writing instructions and preferences from the institution. All papers from JBIHL should be written according to state and national educational research standards.

The student or (faculty member) understands that he or she can be withdrawn from JBIHL's doctoral program at any time, based on unsatisfactory work, following academic policies, guidelines, and meeting deadlines to complete the entire program for doctoral work. The doctoral degree program of study should be completed in three years. After the third year, the student will be reevaluated. New courses may be added or substituted. Any tuition adjustment will have to be paid in full for students to complete course requirements and dissertation work. Approved students can be given an additional two more years to complete JBIHL doctoral degree program. Signature is required as a form of academic acknowledgement and understanding by anyone enrolling into JBIHL's doctoral degree program of study. **By signing this document, student understands, all pre-application requirements must be met and pre-interview requirement, does not guarantee acceptance into JBIHL's doctoral program of study.**
